### Better Bodies and Gasp is looking for new talent to join our Design Team!

As a Design Assistant, you will be responsible for assisting our Lead Designer. You will work in a team along with design, product development, production and purchase for both our Better Bodies and Gasp brands. Together with the rest of the team, you will be involved in developing the training gear, accessories as well as lifestyle/ street style products sold in +50 countries worldwide.

The Better Bodies and Gasp Head Office is based in Hammarby Sjöstad Stockholm, Sweden, where we design and develop our products. We offer a dynamic workplace where high pace and rapid changes are a natural part of our day. Good communication skills, a flexible attitude and capacity to adapt to changes are essential.

### Better Bodies and Gasp is Looking for a Design Assistant Who:

- Has a minimum of a BA qualification in Fashion Design or a minimum of 4 years of work experience as a Design Assistant
- Assist in the creation of brand-right, commercial designs that reflect the conceptual direction and business strategy of the brands
- Has good skills in collection - and color coordination as well as in visual communication
- Has knowledge of, sewing and textile materials
- Driven team player
- Likes a fast-paced work environment
- Is fluent in English

### What can Better Bodies and Gasp offer you?

You will have a chance to work in an exciting and positive environment where you can develop and grow as a designer. As a Design Assistant, you will be involved in making an impact on the products from the start. You will be part of an international and creative team!

### Does this sound like your next challenge?

We are continuously looking for new design talent and look forward to receive your application in English consisting of your CV, cover letter and digital portfolio, already today to [donna.brunns@swedishfitness.se](mailto:donna.brunns@swedishfitness.se)
